

## ADOPT A LEADER IN PRAYER

At Nebraska Family Council **our mission is to be an effective voice for biblical values in government, schools and the family. Our first core value is prayer.**

We recognize the opportunity before us to pray for our Government Leaders. "Were our battles merely against men we would have a difficult enough task. According to Ephesians 6:12 we wrestle not against flesh and blood but principalities, powers, rulers of darkness. This is more than a weak man and his family can withstand, therefore, ***your prayers are not only a comfort for me, they are a necessity***".  
Senator Tony Fulton, District 29.

Did you know that each Senator represents 35,000 people? Nebraska has 49 senators and we desire for all 49 senators to have a consistent prayer covering during the legislative session. As you hold up your leader in prayer we suggest you pray for their family, staff, safety and protection, wise mentors to assist them in office, wisdom in making decisions, courage to face adversity and their personal integrity.

**Adopt a Leader in Prayer** is an outreach of **National Day of Prayer**. We know our Leaders by the responsibility they bear. We must never forget that these influential people are also moms and dads, husbands and wives, friends and neighbors. They face the same pressures we do in trying to keep our lives in balance. Their public role also means their decisions affect many other lives in addition to their own. **What would happen if all 49 senators had a person praying for them on a regular basis? I Timothy 2:1-2 carries a promise that if we pray for those in authority we will live in peace and godliness.**

If God is leading you to pray for your leaders, we will send you a free resource packet. Included in the packet are prayer directives for leaders and a magnet with the name of your State Senator, U.S. Representative and Nebraska Supreme Court Justice appointed in your area. Return the form below or sign up at [www.NebFC.org](http://www.NebFC.org) using the scroll down box on the home page.

Lifting Leaders to the Throne of God,

Karen Bowling, Nebraska Family Council & Nebraska House of Prayer  
Nebraska National Day of Prayer Coordinator
